## OUR MISSION STATEMENT

*The Deaf Intergroup of Central Texas is a service entity established pursuant to Tradition Nine of Alcoholics Anonymous (AA) to operate on behalf of the participating AA groups in accordance with AA's Twelve Traditions and Twelve Concepts. The Deaf Intergroup exists to aid the AA groups in their common purpose of carrying the AA message to the alcoholic who still suffers by increasing accessibility to AA meetings for Deaf people in recovery.*

*“Concerning any given service, we pose but one question-is this service really needed? If it is, then maintain it we must, or fail in our mission those who need and seek AA. “*

## AA Deaf Intergroup Digest

The AA Deaf Intergroup is a unique intergroup, the only one of its kind operating in the US & Canada located in Austin, TX. We provide ASL interpreters to Deaf AA members in the Central Texas area to attend meetings in person or online. Our critical distinction from other intergroups or central offices is that we do not sell literature, we have no brick or mortar presence and operate with service positions filled by AA members.

### 2024 AADI Board

In October the board held elections for service positions. We are extremely grateful to have Renee B. returning on the board as the interpreter coordinator. Renee is serving in the interim as we search for a candidate to fill this very important position. David Evans, our interpreter liaison, who is not an AA member but his knowledge and expertise has been invaluable to the board. Recently David recorded AA frozen text from AA meetings for interpreters to become familiar with the usual readings & prayers. Renee & David are working to create our AADI roster of interpreters. Please don't hesitate to contact us if you are a professional interpreter and would like to be included.

We re-elected Mark K. to serve as our webmaster as he came on board in mid-term. We are excited to have his expertise in redesigning our website. Mark has created a draft for AADI website requirements. He is conducting a sharing session to determine the needs from the AA Deaf members. We hope to have a more functional and welcoming website soon!

Also elected is Lisa F. as our new treasurer. She is an upstanding AA member with experience as a treasurer. We look forward to having her expertise. We want to express our sincere gratitude for the years of service Kimberly S. has contributed & sacrificed for AADI as the treasurer. We re-elected Secretary, Chandra M., co-treasurer Mary A. and our interpreter liaison, David Evans. We are grateful to have their service and continued support. A special thank you extended to all our volunteers for their work & assistance in carrying the message of Alcoholics Anonymous to the still suffering alcoholic.

### Service Opportunities

We have many service opportunities if you have the time and the willingness to serve.

If you are interested, you may also join to assist those in positions already in place. You don't have to know sign language to serve but you do have to be a member of AA.
